TERMS AND CONDITIONS:

1. That the winning bidder must provide equipment, labor and materials necessary to complete the job order called for.
2. That the winning bidder must follow the plans and specifications (as specified in the plans and technical specifications) and scope of work.
3. All materials to be used for the job shall be inspected by the supervising personnel for quality assurance and control and no work shall be done without the approval of the supervising personnel.
 - a. The contractor should provide samples for testing (sieve analysis, test for soundness for gravel, and tensile strength of steel bars) to authorized testing laboratories before construction materials are used (e.g. sand, gravel and steel bars).
 - b. Six concrete cylinders must be prepared and cured for every pouring of concrete (minimum concrete volume of 5 cu.m.) at site by Contractors' representative with the presence of BFAR-8 authorized representative. No concrete pouring shall be done without the presence of BFAR-8 authorized representative.
 - c. Slump test shall be done and recorded for every sampling of concrete.
 - d. Concrete cylinders must be tested for 7 and 28-days strength. No testing of cylinders shall be made without authorized representative of BFAR-8.
 - e. Expenses incurred for the testing shall be shouldered by the Contractor.
 - f. In case the concrete cylinder samples fails during testing, the represented structure will be rejected and replaced.
4. All works must be logged on the log book from start to finish.
5. That the job order called for must be finished within 90 calendar days.
6. Liquidated damages of 1/10 of 1% of undelivered work shall be deducted from the contract price for every day of delay until the day of actual delivery and acceptance if the contractor failed to finish the job within the stipulated time.
7. The contractor can claim payment in a maximum of three (3) progress billings based on actual accomplishments as certified by BFAR-8 authorized inspector.
8. Payment shall be made every after inspection of work accomplished, accepted by BFAR-8 authorized inspector, and papers processed.
9. The performance security shall not be less than 10% of the Total Contract Price in the form of cash, cashier's/managers check, bank draft/guarantee or irrevocable letter of credit or not less than 30% of the Total Contract Price in the form of surety bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.
10. Advance payment can be made to the contractor upon submission of a written request. The advance payment must not exceed fifteen percent (15%) of the total contract price, in lump sum or two (2) installments as determined by BFAR-8 authorized representative. The contractor must submit an irrevocable letter of credit of equivalent value from a commercial bank, surety bond callable upon demand, issued by a surety or insurance company duly licensed by the Insurance Commission, or bank guarantee and must be accepted by BFAR-8 before advance payment is released.
11. Retention money equal to 10% of the progress payments will be withheld by BFAR-8 to cover uncorrected discovered defects and third party liabilities. The total retention money shall be due for release after the defects liability period and upon final acceptance of the works.

FOR PROCUREMENT OF INFRA:

The Bidding will be conducted through open competitive public bidding procedures using a non-discretionary "pass/fail" criterion as specified in the Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184, otherwise known as the "Government Procurement Reform Act".

A complete set of Bidding Documents may be purchased by interested Bidders @ BFAR Regional Office 8, Marasbaras, Tacloban City and upon payment of a nonrefundable fee. It may also be downloaded free of charge from the website of the Philippine Government Electronic Procurement System (PhilGEPS) provided that Bidders shall pay the nonrefundable fee for the Bidding Documents not later than the submission of their bids. Bids will be opened in the presence of the Bidders' representatives who choose to attend. Late bids shall not be accepted.

Submission of Tax Clearance as part of the Eligibility Requirements; Amendment on the prescribed Omnibus sworn statement template on the PBD. Bidders SHOULD SUBMIT tax returns filed through the Electronic Filing and Payments System (EFPS). All particulars relative to Eligibility Statement and Screening, Bid Security, Performance Security, Evaluation of Bids, Post-Qualification and Award of Contract shall be governed by the pertinent provisions of R.A. 9184 and its Implementing Rules and Regulation (IRR). Bidders should have completed, within 3 years from the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II. Instructions to Bidders.

Bidding is restricted to Filipino citizens/sole proprietorships, partnerships, or organizations with at least seventy-five percent (75%) interest or outstanding capital stock belonging to citizens of the Philippines, and to citizens or organizations of a country the laws or regulations of which grant similar rights or privileges to Filipino citizens, pursuant to RA 5183 and subject to Commonwealth Act 138.

Bureau of Fisheries and Aquatic Resources Regional Office (BFAR-RO8) assumes no responsibility whatsoever to compensate or indemnify bidders for any expenses incurred in the preparation of their bids. And finally, the BFAR-8 reserves the right to accept or reject any bid, to annul the bidding process, and to reject the Bid at any time prior to
